

# Application for Humane Wildlife Services Owner Operator Mentorship Program 2026

This is a unique opportunity that could be life changing. Our goal is to provide you with the knowledge, motivation, and confidence to launch your own successful, profitable, and meaningful career.

We are selecting a small group (approximately 6-10) who are ready to launch their own humane wildlife services business - preferably in real time - as we work through the 6-month program.

We are looking for individuals who are self-motivated, not afraid of hard work or getting dirty, who have a deep, unwavering respect for nature and the environment, compassion for animals, and who can handle challenging clients and high-pressure situations with professionalism.

If this sounds like a good fit, please submit your completed application by email to [help@humanecontrol.com](mailto:help@humanecontrol.com) by **March 1, 2026**. If you are selected to participate, you will be notified by **March 3, 2026**.

Good luck - Rebecca and Duane
